highly discounted
rates!*

Here's What You Get...

Marketing

FMattiello Magic performs for thousands of people each year, from small birthdays to big weddings and high-profile corporate award nights.

This provides access to lots of people in a live environment. When sponsoring FMattiello Magic, my magic for the agreed quantity of events will be performed with playing cards displaying your company/brand logo, website, promotional offer or social channels on the back design of the cards.

Each individual signed playing card will be given away to people each as souvenirs during my performances. Our audience members ask us for them and keep them for years as a memory of their amazing experience. Adding your brand design not only creates awareness but helps to increase traffic to your website, social channels, or brand.

Brand Reputation

FMattiello Magic has only ever received 5-star reviews. As a leading entertainer, magician, and mentalist performer in our region, we leave people in awe, and create memorable moments. Every time our audiences see their souvenir or visits our social media pages and website, the first thing they think of is the feeling of magic and astonishment they experienced during the show. With a sponsorship, your brand is placed at the forefront of this experience. The feeling will also be associated with your brand. Our great reviews, world class service and top-notch customer care will remind them of you.

Event Entertainment

Alongside great marketing and brand reputation, you will also receive an optional 30% discount on event entertainment.

Optional, because you don't have to book with FMattiello Magic for your event, but if you do, you, you'll receive 30% off per 1 event sponsorship.

Award winning close up magic and mind reading entertainment for your function, or to gift to a fundraiser, charity, collaborator, corporate partner, or VIP customers.
